HEAD COACH HARRY PERRETТА

Now in his 37th year as head coach of the Villanova women's basketball program, Harry Perretta has established himself as one of the most respected and knowledgeable coaches in the country. A true teacher both on and off the court, Perretta

strives to have a positive influence on his student-athletes not only as basketball players, but also as people.

Last season, Perretta led the Wildcats to a 23-9 record and berth in the WNIT where Villanova advanced to the second round. This was the team's second straight 20-win season and the 16th twenty win campaign of Perretta's career. The WNIT bid was the team's 12th postseason appearance in the last 15 years. Villanova finished 12-6 in Big East play last season which was good enough for a third place tie in the final league standings. Under Perretta's direction last year, senior guard Devon Kane became the 11th Wildcat to earn first team All-Big East honors, while sophomore guard Caroline Coyer was voted the league's Sixth Man of the Year.

Perretta led Villanova to its 10th NCAA Tournament appearance in 2012-13 by guiding the Wildcats to a 21-11 overall record. Villanova also went 4-0 in the Philadelphia Big Five to claim the program's 14th City Series title under Perretta's tutelage. He also helped guide senior forward Laura Sweeney to second team All-Big East honors.

The 2011-12 season was a milestone year for Perretta. On Nov. 12, 2011, he earned his 600th career victory with a 76-47 victory at Iona. By reaching this milestone, Perretta became the 35th coach in the history of women's basketball at any level to reach the 600-win plateau, including the 22nd Division I coach to accomplish the feat. He is also just the seventh Division I coach to win 600 games at one school.

Perretta currently ranks 14th on the winningest active Division 1 collegiate coaching list with a 661-413 career record. The 661 victories rank him as the all-time winningest coach in the history of Villanova basketball for both men and women.

His second milestone of the 2011-12 season came at DePaul on Feb. 8, when Perretta coached in his 1,000th career game, becoming just the seventh coach in the history of NCAA women's basketball at any level to coach 1,000 games at the same school.

Perretta led the 2011-12 team to a 19-15 overall record and bid to the WNIT. In the WNIT, the Wildcats defeated American and Illinois State

before falling at Colorado in the third round. Villanova tallied a 4-0 mark in the Philadelphia Big Five to capture the program's 13th City Series title. For his efforts, Perretta earned Big Five Coach of the Year accolades.

During the 2008-09 season, Perretta led the Wildcats to the NCAA Tournament for the ninth time in his Villanova career. This marked the ninth postseason appearance in the previous 10 years for the Wildcats. After playing in the 2000 WNIT, Villanova went to four consecutive NCAA Tournaments from 2001-2004 before playing in the WNIT in 2005, 2006 and 2008. Picked to finish 10th in the pre-season Big East Conference coaches poll, the Wildcats tallied a 10-6 league mark and finished tied for fourth in the conference standings. For his efforts in 2008-09, Perretta was named the Big East Conference Co-Coach of the Year. This is the third time in his career that he has garnered Big East Coach of the Year distinction.

Under Perretta's tutelage in 2008-09, senior forward Laura Kurz was a unanimous first team All-Big East selection, in addition to being named the Big East Co-Most Improved Player. Kurz finished her senior campaign averaging 17.4 points per game and 7.2 rebounds per contest. She was also named the Philadelphia Big Five Player of the Year.

Perretta registered his 14th career 20-win season in 2005-06 by leading the Wildcats to a 21-11 record. This was the fifth time in six years that Perretta led his team to a 20-win campaign. Also,

HEAD COACH HARRY PERRETTA

in 2005-06, Perretta coached senior forward Liad Suez-Karni to first team All-Big East accolades.

In 2004-05, Perretta became the 26th Division I women's basketball head coach to win 500 games when the Wildcats defeated Pittsburgh, 70-49, on February 2. Villanova finished the season with a 19-12 overall record and qualified for the postseason with a WNIT berth.

One year earlier in 2003-04, Perretta led his team to a fourth-straight 20-win campaign and a fourth consecutive NCAA Tournament berth where the Wildcats advanced to the second round. Perretta also coached his squad to a second-straight Philadelphia Big Five title in 2003-04. For his efforts, he was named Big Five Coach of the Year for the second consecutive season.

The 2002-03 season was a special one for Perretta and the Wildcats. In addition to an impressive 28-6 overall record and a 12-4 Big East Conference mark, Perretta led the Wildcats to their third Big East Conference Tournament championship and first since 1987 with an improbable 52-48 upset over previously unbeaten Connecticut. The win snapped Connecticut's then NCAA Division I women's basketball record of 70-straight victories and ended Connecticut's streak of nine-straight conference tournament championships.

The 28 wins recorded in 2002-03 is the second most victories in school history. Villanova was rewarded for its season by earning a No. 2 seed in the 2002-03 NCAA Tournament which is the highest seed ever for a Philadelphia area women's basketball team. In the NCAA Tournament, the Wildcats recorded wins over St. Francis (Pa.), George Washington and Colorado and advanced to the Elite Eight for the first time in the program's history. Also, during the 2002-03 season, Villanova went 4-0 in the Philadelphia Big Five to capture the City Series championship and he was named the Big Five Coach of the Year. Under Perretta's guidance, senior guard Trish Juhline led the Big East in scoring and garnered first team All-Big East acclaim for the second-straight year, while senior forward Katie Davis was named second team All-Big East and junior guard/forward Courtney Mix was a Big East Honorable Mention Team selection. In addition, Juhline was named the Big East Tournament's Most Outstanding Player.

In 2001-02, Perretta guided Villanova to a 20-11 mark and a trip to the NCAA Tournament. In the NCAA's, Villanova received the No. 9 seed in the west region where they defeated Pepperdine in the first round before losing to No. 1 seed Oklahoma in the second round. Perretta helped Juhline become the first Wildcat since 1994-95 to be named first team All-Big East. Perretta was also instrumental in helping senior point guard Mimi Riley earn Big East Honorable Mention acclaim in 2001-02.

The 2000-01 season was a memorable one for Perretta, as he led his team to a 22-9 overall record and a berth in the NCAA Tournament where they advanced to the second round. In a 60-55 win over Temple on Dec. 2, 2000, Perretta

won his 400th career game and with the 61-45 victory over Providence on Feb. 24, 2001, he became the all-time winningest coach in the history of Villanova basketball for both men and women with career win number 414. For his efforts in 2000-01, Perretta was named the Philadelphia Big Five Co-Coach of the Year. Also that season, Perretta coached senior center Brandi Barnes to third team All-Big East distinction and Juhline garnered Big East Honorable Mention acclaim. In the Philadelphia Big Five, Mix was named Rookie of the Year.

In 1995-96, Perretta led his team to a 21-7 record and added to his already impressive resume when he earned Big East Coach of the Year honors along with the Philadelphia Big Five Coach-of-the-Year award. Already the winningest coach in Villanova women's basketball history, on January 8, 1995 against the Georgetown Hoyas, Perretta earned his 300th career win at the age of 39.

The dean of the Big East and Big 5 coaches, Perretta has brought the Wildcats national respect and success during his tenure at Villanova. Always a crowd favorite wherever he goes, he is one of the most animated and vocal coaches in the country, continually instructing his players during the course of a game. Year-in and year-out, his teams are feared for their aggressive play, disciplined style, defensive prowess and pre-game preparations of an opponent.

A teacher of basketball, Perretta also realizes the importance of the overall college experience. He and his staff follow closely each player's academic progress, and in his 37 years at Villanova, 99 percent of the student-athletes who has stayed all four years has received her degree. Perretta is also a firm believer of using the basketball experience to teach his players lessons on life. Upon graduation, it is a sure bet that Perretta's players will leave Villanova as better basketball players, in addition to being prepared to be a success in whatever career avenue they choose.

During his career on the Main Line, he has led the Wildcats to 10 NCAA Tournament appearances, seven WNIT berths, national rankings in the Associated Press poll, Big East regular season and tournament championships in both 1985-

86 and 1986-87, the 2003 Big East Tournament title, 10 outright and four shared Big 5 titles, and sixteen 20-win or better seasons. In addition, one of his players, Shelly Pennefather, was recognized in 1987 as the nation's top women's basketball player, winning the Margaret Wade Trophy and earning Kodak All-America honors.

Perretta began his career on the Main Line in 1978 at the age of 22, the youngest coach ever to head a women's program at Villanova. In his first season, he led the 'Cats to a 17-8 record and was a finalist for the AIAW small college coach of the year. During his career, Perretta and the Wildcats have had many highlights, including reaching the Final Four of the AIAW in 1982. The 1982-83 season saw Villanova begin play in NCAA Division I and in the Big East Conference. Since joining the Big East in 1982, Perretta has compiled a 206-185 conference record.

Perretta attended Lycoming College after earning All-Catholic League honors at Monsignor Bonner High School in Upper Darby, Pa. His playing career was cut short, however, by an ankle injury during his freshman year at Lycoming. Perretta spent the remainder of his college years assisting Lycoming's varsity and junior varsity programs as a coach, and he also aided the women's program. He received his bachelor's degree in social studies and a secondary teaching certificate in 1978. In 1995, he earned his Master's Degree in Education from Villanova.

Perretta is married to the former Helen Koskinen and they are the parents of a 16-year old son, Stephen William and a 14-year old son Michael John. Together, they reside in Drexel Hill, Pa.

BIG EAST / BIG FIVE

BIG EAST CONFERENCE

The brainchild of former Providence College men's basketball coach and athletic director Dave Gavitt, the BIG EAST Conference became a reality on May 31, 1979, as Providence, St. John's, Georgetown, Syracuse, Seton Hall, Connecticut and Boston College formed the original seven-school alliance. While the membership has evolved, the focus of the BIG EAST has not wavered. The conference reflects a tradition of broad-based programs, led by administrators and coaches who place a steadfast emphasis on academic integrity.

In 2012, the seven BIG EAST schools that do not compete in FBS football decided to return to the type of conference alignment that existed when Gavitt helped form the league in 1979 and quickly surged to national prominence as a college basketball force. On December 15, 2012, these seven institutions (DePaul University, Georgetown University, Marquette University, Providence College, St. John's University, Seton Hall University and Villanova University) announced their intention to separate from the football-playing schools in the previous BIG EAST and form an independent association.

On March 20, 2013, the seven schools reached an agreement that enabled them to keep the BIG EAST name and establish a new conference entity beginning on July 1, 2013. The schools also assumed the old conference's long-term agreement with Madison Square Garden to host the BIG EAST Men's Basketball Tournament, one of the premier events in college athletics. The schools also announced the addition of three distinguished institutions that share the same academic and athletic values -- Butler University, Creighton University and Xavier University -- and forged a landmark, long-term broadcast partnership with FOX Sports.

FOX Sports and its recently established national cable network, FOX Sports 1, acquired the television rights to all BIG EAST contests in all sports in early 2013. The television agreement helped usher in the new BIG EAST era by making the league accessible to a national audience with complete coverage of all BIG EAST men's basketball regular-season and Tournament contests. A selection of regular-season women's basketball games as well as the semifinals and final of the BIG EAST Tournament were all shown via the FOX Networks, which reaches 90 million homes. Soccer, lacrosse, softball and baseball also had their conference championships aired on the FOX Sports channels in 2013-14. Dividends were paid immediately as BIG EAST teams enjoyed a significant jump in the number of nationally televised games on their schedules, with many seen on countrywide broadcasts four times as frequently as seasons past.

Starting in 2014-15, the BIG EAST and FOX Sports will launch a digital platform which will include 30 regular-season women's basketball games and over 80 Olympic sport contests, including postseason championship coverage.

Fans will be able to access the live broadcasts as well as feature content and highlights free of charge.

BIG EAST institutions are located in seven of the nation's top 35 largest media markets, including New York, Chicago, Philadelphia, Washington, D.C., Indianapolis, Milwaukee and Cincinnati. Under the direction of Commissioner Val Ackerman, the BIG EAST moved its headquarters prior to the 2013-14 academic year from its original location in Providence, R.I., to Midtown Manhattan in New York City.

Ackerman was named the BIG EAST's fifth Commissioner on June 26, 2013, following Gavitt, the Conference's first Commissioner who served until 1990, Michael Tranchese, John Marinatto and Mike Aresco. Tranchese was the league's first full-time employee and the right-hand man to Gavitt for 11 years, taking over for Gavitt as Commissioner until 2009. Marinatto was the third Commissioner of the BIG EAST, serving from 2009-2012, when he was succeeded by Aresco.

It was with the BIG EAST's founder and first commissioner in mind when Ackerman, who previously served as President of USA Basketball and was the founding President of the WNBA, teamed with Big Ten Commissioner Jim Delany to establish the Gavitt Tipoff Games. Beginning in 2015-16, the Gavitt Tipoff Games will be an annual early-season series of eight men's basketball games played between the two conferences.

The BIG EAST will embark on its second year as a 10-team consortium in 2014-15. The league, which has always competed with integrity and sportsmanship at the highest levels of intercollegiate sports, began a new era in 2013-14, returning to its heritage, focusing athletically on basketball while forging into the future with leadership and vision.

The 2013-14 academic year marked the BIG EAST's first season since realignment. The conference crowned champions in 22 sports last year, the 35th season in its history, with its student-athletes achieving success in the classroom as well as the athletic arena. Eight different schools won regular-season titles, including first-year member Creighton, which claimed the baseball regular-season crown, and

10 different schools won BIG EAST postseason championships. Fellow newcomer Xavier won the BIG EAST Baseball Championship.

The Musketeers were one of 34 different BIG EAST teams to earn NCAA Championship bids in 2013-14, with a remarkable nine teams (five men, four women) earning invites to the NCAA Soccer Tournaments. Nine different national postseason championships saw multiple BIG EAST teams participate, including four league squads in men's basketball and women's cross country, and two in volleyball, women's basketball, men's cross country, field hockey and women's lacrosse. Additionally, a plethora of individuals earned national postseason invitations in tennis, cross country and track and field.

Two BIG EAST teams and one individual performer won NCAA Championships in 2013-14, beginning with the Providence women's cross country team. The Friars claimed their second national championship in program history, as three PC runners were tabbed All-Americans and 30th-year head coach Ray Treacy was named National Coach of the Year by the USTFCCA. Affiliate member Connecticut won its third NCAA title in field hockey in 2013, with Nancy Stevens named NFHCA National Coach of the Year and Marie Elena Bolles National Player of the Year.

Including the three Friar runners, 83 BIG EAST student-athletes across 16 sports were named All-Americans in 2013-14, including Villanova's Emily Lipari. A four-time All-American in 2013-14, Lipari won the national title in the mile at the NCAA Indoor Track & Field Championships in March, marking the Wildcats' 20th indoor national champion.

In March, all eyes were on the hardwood as the BIG EAST Men's Basketball Tournament returned to Madison Square Garden for the 32nd consecutive season. It was a tale of old versus new as conference charter member Providence advanced to the BIG EAST Championship for the first time in 20 years, while first-year participant Creighton, led by consensus National Player of the Year Doug McDermott, marched its way through the opening rounds to reach the final in its BIG EAST Tournament debut. In the end, the Friars, led by All-American Bryce Cotton, captured

BIG EAST CONFERENCE

their first title since 1994. Cotton won the Dave Gavitt Trophy as the BIG EAST Tournament Most Outstanding Player.

Along with the Bluejays and Friars, Villanova and Xavier earned NCAA Men's Basketball Tournament bids, while on the women's side, BIG EAST Tournament and regular-season champion DePaul punched its NCAA ticket, along with runner-up St. John's. The BIG EAST Women's Basketball Tournament was held for the first time at Allstate Arena in Rosemont, Ill., as the Blue Demons claimed their first tourney title in league history in front of a hometown crowd.

Successful strides were made academically as well, as 10 BIG EAST student-athletes were named CoSIDA Academic All-Americans, including four first-team members. Butler's Katie Clark and Mara Olson (cross country, track and field) and Marquette's Charlie Lyon (soccer) and Katie Reigle (soccer) all garnered first-team honors.

The triumphs enjoyed by the BIG EAST in 2013-14 add to an already illustrious legacy steeped in men's basketball and expanded to other sports since the conference's founding.

BIG EAST men's basketball teams have enjoyed extraordinary success over the years. Georgetown, Marquette and Villanova have won the national championship, and DePaul, Providence, St. John's and Seton Hall have all made it to the Final Four. The BIG EAST placed three men's basketball teams in the Final Four in 1985 - Georgetown, St. John's and Villanova -- the only time this has occurred in NCAA history. Over the past 11 years, Butler, Georgetown, Marquette and Villanova have each reached the Final Four, with Butler making two trips (in 2010 and 2011). Xavier has also advanced to the Elite Eight twice and the Sweet 16 three other times.

BIG EAST student-athletes have achieved recent success in other sports, as well. A BIG

EAST team has won the NCAA women's cross country championship four of the last five years (Villanova won twice; Providence and Georgetown once), with one runner-up finish (Providence). Creighton's men's soccer team has reached the NCAA College Cup in two of the past three seasons. Since opening its doors in 1979, the league has won 36 national championships in six different sports, and 138 student-athletes have won individual national titles through 2013-14.

The league has long been considered a leader in innovative concepts in promotion and publicity, particularly regarding television. Those efforts have resulted in unparalleled visibility for the conference and BIG EAST student-athletes. BIG EAST student-athletes sport significantly high graduation rates, and the league has always been able to boast that many of its best students are also its best athletes.

VAL ACKERMAN • BIG EAST COMMISSIONER

Val Ackerman
Commissioner

Val Ackerman was named the fifth Commissioner of the Big East Conference on June 26, 2013. She was the founding President of the Women's National Basketball Association (WNBA) and a past President of USA Basketball, which oversees the U.S. men's and women's Olympic basketball program. She has had a long and accomplished career in the sports industry and is one of the few sports executives who has held leadership positions in both men's and women's sports at the collegiate, professional, national team and international levels.

Val attended the University of Virginia as one of the school's first female student-athlete scholarship recipients. She was a four-year starter, three-time captain and two-time Academic All-American for the Cavaliers' women's basketball team and the first 1,000-point scorer in the program's history. She graduated with high distinction with a degree in political and social thought in 1981 and played one year of professional basketball in France before earning a law degree from UCLA in 1985.

Val started her legal career as a corporate and banking associate at the New York law firm of Simpson Thacher and Bartlett and joined the National Basketball Association as a staff attorney in 1988. She was as an executive at the NBA for eight years, serving as Special Assistant to NBA Commissioner David Stern and Director (and later) Vice President of Business Affairs before being named the WNBA's first President in 1996. She guided the league to a much-heralded launch in 1997 and headed its day-to-day operations for its first eight seasons.

In 2005, Val was elected President of USA Basketball for the 2005-08 term, leading the organization to an overall competitive record of 222-23 and gold medal performances by the U.S. men's and women's basketball teams at the 2008 Olympics in Beijing. She was one of the

NBA's original appointees to the USA Basketball Board of Directors in 1989 and served as an organizational liaison with USAB during the early years of NBA participation in FIBA competitions, including the 1992 and 1996 Olympics and 1994 World Championships. A USA Basketball Board member for 23 years, Val played a key role in the long-standing success of the U.S. women's national basketball team program, which won gold medals at the 1998, 2002 and 2010 FIBA World Championships and the 1996, 2000, 2004, 2008 and 2012 Olympic Games. In 2013, Val was named the recipient of USA Basketball's Edward S. Steitz Award, which recognizes outstanding contributions in international basketball.

Val also served two terms (2006-10 and 2010-2014) as the U.S. representative for men's and women's basketball on the Central Board of the International Basketball Federation (FIBA), the sport's world governing body. She was a member of FIBA's Competition Commission and served on the Central Board of FIBA Americas, FIBA's zone authority for North, Central and South America.

Val is a member of the adjunct faculty for Columbia University's graduate sports management program and serves on the Knight Commission on Intercollegiate Athletics. She is also a member of the Board of Directors of the Women's Basketball Hall of Fame, which inducted her as a contributor in 2011, and is a Lifetime Trustee of the Naismith Memorial Basketball Hall of Fame, which presented her with the John Bunn Lifetime Achievement Award in 2008. She has done consulting work for the National Hockey League, which she assisted in formulating a long-term plan to support women's ice hockey, and the NCAA, for which she prepared a comprehensive white paper in 2013 on growth strategies for women's college basketball. She also worked as a free-lance columnist for espnw.com, where she authored a series of articles on the subject of women and sports and participated as a member of the espnw Advisory Board.

Val is married to Charlie Rappaport, a retired tax partner of the Wall Street law firm of Simpson Thacher & Bartlett. They have two daughters, Emily (a 2014 graduate of Yale) and Sally (a student at Wesleyan University).

Philadelphia is an absolutely indispensable resource easily accessible for Villanova's student community. Buses and trains stop regularly on our campus, and you can be in Center City in a matter of minutes.

There, the cultural attractions of one of the nation's most historic areas are yours to choose from: Independence Hall, where the Declaration of Independence was adopted,

and the U.S. Constitution was written; the Academy of Music, home of the world-renowned Philadelphia Orchestra; the Liberty Bell; the Philadelphia Museum of Art, the country's third-largest art museum; and countless theaters, galleries, nightclubs and historical sites.

PRESIDENT, REV. PETER M. DONOHUE, O.S.A.

The Rev. Peter M. Donohue, O.S.A., Ph.D., became the 32nd president of Villanova University on June 1, 2006. As president, Father Donohue has worked together with students, faculty, staff, alumni, and parents to strengthen the Villanova community and renew its commitment to the institution's Catholic, Augustinian, and educational mission.

PLANNING FOR THE FUTURE

Under Father Donohue's leadership, Villanova launched a new Strategic Plan - "Igniting the Heart. Inspiring the Mind. Illuminating the Spirit." - which is designed to build upon the success achieved in recent years and to guide the University through 2020. Core to the Plan, which was approved by the University's Board of Trustees in December 2009, are Villanova's distinctive attributes of academic excellence, strong community, service to others, personal attention, and a platform for success. The Strategic Plan identifies academic and programmatic priorities and a Villanova Campus Master Plan that will guide the transformation of the University's physical plant to meet current and future needs.

Father Donohue also has spearheaded the University's environmental sustainability efforts, highlighted by his signing of the American College and University Presidents Climate Commitment in June 2007, which pledges that the University will work to achieve climate neutrality.

A COMMITMENT TO THE COMMUNITY

Father Donohue believes strongly in the important role that community service plays in the Villanova educational experience and has instituted an annual Day of Service each September as a way for the University com-

munity to put its Augustinian ideals into action. More than 4,000 students, faculty, staff, and alumni take part in projects throughout Greater Philadelphia, making it one of the largest single-day service initiatives in the region.

Father Donohue serves as chair of the Association of Independent Colleges and Universities of Pennsylvania, an organization that serves exclusively the interests of private high education within the Commonwealth. Father Donohue also serves as a member of the Board of Trustees for Villanova University

as well as the boards of Merrimack College in North Andover, Ma., Malvern Preparatory School in Malvern, Pa., the Greater Philadelphia Chamber of Commerce and the Association of Catholic Colleges and Universities. In addition, he is an Honorary Trustee of Campus Philly, a nonprofit organization that fuels economic growth by encouraging college students to study, explore, live, and work in the Greater Philadelphia region.

AN ACCOMPLISHED SCHOLAR

Born in Bronx, N.Y., and raised in Royal Oak, Mich., Father Donohue earned a B.A., with a concentration in theatre and communication arts, from Villanova University in 1975 and was ordained an Augustinian priest in 1979. He holds an M.A. in theatre from the Catholic University of America, a M. Div. from the Washington Theological Union, and a Ph.D. in theatre from the University of Illinois at Urbana-Champaign. While pursuing his doctorate, Father Donohue taught theatre at the University of Illinois, where he received honors for outstanding teaching. He is a member of Phi Kappa Phi, the nation's oldest, largest, and most selective all-discipline honor society.

Father Donohue is a tenured associate professor at Villanova who served as chair of the University's department of theatre from 1992 to 2006. He annually directed musical theatre productions on campus, earning six Barrymore Award nominations and one Barrymore Award for Outstanding Direction of a Musical from the Theatre Alliance of Greater Philadelphia.

DIRECTOR OF ATHLETICS

Vince Nicastro

DIRECTOR OF ATHLETICS, VINCE NICASTRO

Vince Nicastro enters his 15th year as the Villanova University Director of Athletics in 2014-15.

As the Director of Athletics, Nicastro is responsible for leading a Villanova Athletics Department that is committed to excellence both in competition and in the classroom. The broad-based Wildcat athletics program is comprised of 24 men's and women's varsity sports and over 500 student-athletes. In addition, club sports and an extensive intramurals and recreation program fall under the auspices of the Athletic Department. Villanova is a member of the Big East Conference and the Colonial Athletic Association Football Conference.

In his 14 seasons at the helm, Nicastro has overseen significant success in the key areas of intercollegiate athletics. Villanova has won 22 conference championships during his tenure, including seven Big East titles in the past year alone. At the national level the Wildcats have won national championships in women's cross country (2009, 2010) and football (2009) while also crowning 10 individual national champions. The past six years in particular have been a period of great achievement, highlighted by the successes of the 2013-14 campaign.

Villanova won seven Big East championships during the past academic year, including a first-ever "triple crown" for the men's cross country and track & field program. After winning the conference cross country title in the fall the Wildcats went on to win both the indoor and outdoor track & field championships in dominant fashion. The women's track & field team also won Big East titles both indoors and outdoors. The women's swimming & diving squad captured their first conference title in 18 years and the men's basketball team was crowned regular season Big East champions. The men's and women's basketball teams each advanced to national postseason play, while the men's and women's cross country teams also qualified for the NCAA Championships. The men's and women's indoor and outdoor track & field teams combined to produce eight first team All-Americans and Emily Lipari was the indoor national champion in the Mile. Head coaches Marcus O'Sullivan (men's cross country/track & field), Gina Procaccio (women's cross country/track & field), Rick Simpson (women's swimming & diving) and Jay Wright (men's basketball) were all named BIG EAST Coach of the Year for their respective sports during the 2013-14 academic year. In the NACDA Directors' Cup, a program which recognizes a school's across-the-board success in athletics, Villanova finished 2013-14 ranked No. 68 overall and second among BIG EAST teams.

The No. 68 ranking in the Directors' Cup standings marks the fifth time in the last six years that Villanova has achieved a top-75 overall finish. That success has been fueled by a number of Wildcat teams which have consistently reached national postseason play. The men's basketball team has reached the NCAA Tournament in nine of the past 10 years (2005-14) and played in the 2009 Final Four. The women's basketball team has tallied 20 or more wins eight times since 2000 en route to earning a postseason bid in 12 of the last 15 years, including a visit to the Elite Eight in 2003. The football team has made five appearances in the NCAA playoffs since 2002, including semifinal appearances in 2002 and 2010 and winning the 2009 national championship. The women's soccer team participated in six NCAA Tournaments from 2001-09 and the men's cross country team has currently qualified for the NCAA Championships for a program-record seven straight years. The women's cross country team has reached the NCAA Championships in each of the last six years and won consecutive national titles in 2009 and 2010. The men's

and women's track & field teams have also continued their unparalleled success at the prestigious Penn Relays, with 12 Championship of America titles since 2000 and seven just in the last three years. The men's lacrosse team has also maintained a national profile in recent years. The program earned a share of the regular season Big East title in 2013 and also played in the NCAA Tournament in both 2009 and 2011.

A championship environment that allows Villanova student-athletes to excel has also afforded the Athletic Department the opportunity to host a number of high-profile events at the conference and national levels. In a span of six months Villanova hosted both the 2013 NCAA Women's Lacrosse Division I Championship as well as the 2013 NCAA Men's Soccer College Cup. During the 2013-14 academic year the Wildcats also hosted Big East Championships in men's soccer, swimming & diving, outdoor track & field and men's lacrosse.

Achievement in the classroom has also remained a priority under Nicastro's leadership. During the 2013-14 academic year, Villanova student-athletes posted a 3.174 grade point average – making 22 consecutive semesters with a composite GPA above 3.0, while achieving exemplary graduation rates. Also in 2013-14, nine Wildcat teams received NCAA Public Recognition Awards for ranking in the top 10 percent in the nation within their sport for multiyear APR scores. In addition, Villanova saw all 24 of its varsity sports post an APR score at or above the national average for their sport. Wildcat scholars continue to distinguish themselves at the highest levels and during the past year Jessica Wamala from women's basketball and Samuel Ellison from men's track & field received national academic scholarships. Wamala became the third student-athlete in Villanova history to be named a Rhodes Scholar and Ellison joined an elite group when he was awarded a Fulbright Scholarship.

In his tenure as Director, Nicastro has been instrumental in the growth of the Villanova Athletic Fund program, which once again achieved an unprecedented level of participation in 2013-14. The fund has now grown to include more than 3,300 members and raised \$2.9 million during the past year, bringing the total amount of contributions to more than \$22.5 million since the fund started. Nicastro has also played an integral role in securing numerous major gifts for endowments and facility upgrades to benefit Villanova Athletics.

The most striking capital undertaking is the Davis Center for Athletics & Fitness that serves as a state-of-the-art practice facility for use by the men's and women's basketball programs and greatly improves the recreational and fitness offerings for the campus community. The \$18.7 million facility, which opened in November of 2007, represents the largest capital project in University history to be funded entirely through donor support. The most recent facility upgrade is also a significant one, as a \$3 million renovation to the soccer complex on West Campus will be completed in August, 2014. Other facility upgrades under Nicastro's watch include the Varsity Weight Room renovation during the summer of 2013; the Villanova Ballpark at Plymouth Meeting; a new softball complex; the Villanova Stadium Turf Replacement; the installation of a new track in Villanova Stadium, new track & field throwing sectors and numerous team locker

room enhancements.

Those beyond the Villanova zip code have taken notice. *U.S. News and World Report* listed Villanova as one of the Top 20 athletic programs in the nation in 2003. In 2004, Villanova was recognized as the top program in the Big East Conference in a study conducted by the Laboratory for the Study of Intercollegiate Athletics at Texas A&M. In its first presentation of the Excellence in Athletics Cup, Villanova was cited for success in areas including NCAA postseason success, graduation rates, gender equity position and operating efficiency.

Nicastro joined the Villanova Athletics Department in 1994 when he was hired as the school's Director of Ticket Operations. He was promoted to Assistant Athletics Director in 1997, and then elevated to the position of Associate Athletics Director soon thereafter. As an Associate Athletics Director, he was responsible for overseeing the department's administrative functions, including business operations, personnel and staffing and the sports medicine and strength/conditioning programs.

On his path to the Director's office, Nicastro served as the designated sport administrator for many of Villanova's men's and women's varsity programs, working closely to plan and develop all aspects of their sport's programs. Nicastro also coordinated Villanova's summer camp programs and the department's information technology issues.

Nicastro has also been active both inside and outside the University, serving on many key committees. He is a member of the Villanova University President's Cabinet and the University's Administrative Budget Committee, which plays a key role in crafting the University's operating budget and making recommendations for strategic investments. THE JOHN "JAKE" NEVIN FIELD HOUSE

Officially opened on April 1, 1932 as the Villanova Field House, the Field House was renamed to honor long-time Wildcat athletic trainer John "Jake" Nevin on November 22, 1985. Once the home of both the Wildcat men's and women's basketball teams, the building is currently home to the women's volleyball squad, as well as administrative offices and training facilities. Originally built at a cost of \$350,000, the Field House has hosted Villanova's commencement exercises, numerous high school commencements, concerts, lectures, funerals, masses, dances and plays.

THE PAVILION

Officially opened in February 1986, The Pavilion is the current home of the Wildcat men's and women's basketball teams. With a seating capacity of 6,500, the Pavilion also has hosted commencements, receptions, banquets, dances and concerts since the opening. Also included in The Pavilion is a 200-meter indoor track, tennis courts and batting cages for the baseball and softball teams.

VILLANOVA STADIUM, GOODREAU FIELD & THE JUMBO ELLIOTT TRACK

Dedicated on October 8, 1927, and built at a

cost of \$500,000, numerous improvements and additions have been made to the original home of the Wildcats since then. The structure is officially known as Villanova Stadium and seats 12,000 spectators. It has hosted football, field hockey, men's and women's lacrosse, men's and women's soccer, and international track meets, as well as commencements and other functions. The playing field was dedicated to the memory of Leo J. Goodreau, a football player who died due to injuries in practice, on May 7, 1930. On September 27, 1980, the running track was dedicated to Villanova's legendary track & field coach, James "Jumbo" Elliott. In the summer of 1992, new surfaces were placed on the playing field (Astroturf-8) and track (Rekortan S). During the summer of 1997, state-of-the-art lights were installed, improving the quality of all Wildcat night contests. In the summer of 1999, a Stadium Renovation project took place with the addition of a press facility that includes a 100-person meeting room for all Athletic Department members to utilize, along with a first-class facility for all media members to use. Over the past few years, the playing field and track have been completely replaced. In the summer of 2010, brand new artificial turf was installed onto the playing field in time for the start of preseason workouts. The playing field features a synthetic grass surface known as FieldTurf. The track surface was replaced during the summer of 2007 and made possible the return of the BIG EAST Outdoor Track & Field Championships to Villanova. The stadium was the host site of the conference meet in 2008 and 2009, and the championships will return to Villanova once again in 2011.

DAVIS CENTER

The Davis Center for Athletics and Fitness was formally dedicated on November 8, 2007. The name of the building honors the generous contributions of brothers James and William Davis and their families. Jim Davis is a 1981 graduate of Villanova, while Bill Davis is a member of the class of '85.

Funded entirely through private donations, the Davis Center for Athletics and Fitness is a three-story, 55,000 square foot structure located on Ithan Avenue in front of The Pavilion. It includes a lobby atrium highlighting the long and proud VILLANOVA TODAY of Villanova men's and women's basketball, complete with photos and other fascinating memorabilia from the VILLANOVA TODAY of the sports on campus. The atrium also contains photos of Wildcat fans, a group known emphatically as the "Nova Nation." The first two floors house office space for both programs; two practice courts, one for each team; locker rooms; a weight room, cinema, and a sports medicine area.

The third floor of the Davis Center is devoted entirely to fitness and is open to all segments of the Villanova community. With windows showcasing the university's main campus, the area features 40 cardio machines, selecterized weight equipment, as well as free weights. There is a large meeting space that is utilized for such group exercise as aerobics, yoga and pilates.

The new facility is environmentally friendly with energy-saving motion sensor lights and ecologically-sound storm water management. In addition, over 250 new trees have been planted around the facility.

VILLANOVA SOFTBALL FIELD

In the spring of 2007, the Villanova softball team moved to its brand new stadium on Pike Field along Lancaster Avenue. The facility underwent improvements before the 2008 and 2009 seasons. The field includes dugouts, warm-up areas and a state-of-the-art playing surface. Bleachers are located one level above the field along with an enclosed press box. Other features on the field level include storage areas for the softball team as well as the men's and women's track & field teams.

VILLANOVA SOCCER COMPLEX

Located behind St. Mary's Hall on the ever-growing West Campus is Villanova's soccer field. It was established in the fall of 1992 as the new home for the Wildcat men's and women's soccer programs and was recently leveled and re-sodded for a top-notch facility. During the summer of 1999, new bleachers were added to the facility that seat 1,000 people. New locker rooms for the men's and women's soccer teams were added in the fall of 2001 and the entire field was re-sodded during the summer of 2007.

Davis Center

VILLANOVA SWIM CENTER

Completed in July, 1985 at a cost of \$1.5 million, The Swimming Center is home to Villanova's men's and women's swimming and diving teams, as well as the women's water polo squad. Measuring 25 meters by 25 yards, with depths ranging from 4 1/2 feet to 13 feet, it features 10 lanes for competitive swimming, two 1-meter diving boards, and 3-meter diving platforms. During the summer of 1999, new offices and a meeting room were constructed for the swimming and women's water polo coaching staffs. The men's and women's locker rooms were renovated during the summer of 2007.

PIKE FIELD

Located across the street from Villanova Stadium, this practice facility was re-built in 1994 at a cost of \$350,000 to include a complete state-of-the-art throwing area for track and field meets that allows three events to be contested simultaneously. The throwing areas were renovated in the spring of 2008. This field, equipped with a drainage system to ensure high quality conditions year-round, also serves as an outstanding practice field for Villanova's varsity teams as well as intramural competition.

VILLANOVA FACILITIES

VILLANOVA TENNIS COMPLEX

A brand new tennis facility was constructed on Villanova's West Campus during the summer of 1999. This new facility is home to both the Wildcat men's and women's tennis teams. Recreational courts are also available on the South Campus adjacent to Stanford Hall, and on the Main Campus behind Kennedy Hall.

ATHLETIC TRAINING ROOM

Villanova's Jake Nevin Field House features a full-service athletic training room. The facility contains state-of-the-art equipment specifically for the treatment and rehabilitation of athletic injuries. This facility now contains 2,200 square feet of training space. All advanced treatment and rehabilitation is performed under the supervision of four full-time National Athletic Training Association certified personnel. In the cases requiring physical therapy needs, or subspecialized medical evaluation, outside consultants are utilized.

EQUIPMENT ROOM

The Equipment Room is committed to servicing the athletic teams, coaches and student-athletes at Villanova University by facilitating ordering, storage and inventory of athletic equipment and apparel; laundry services; and subcontracting of embellishment to be placed on uniforms.

Overseeing the Villanova Equipment Room is Lionel Brodie, who came to Villanova in the fall of 2007. He worked for And 1 Basketball from 2001 to 2005, beginning in distribution and eventually working with production and retail as well. Brodie is a Philadelphia native and also worked for Treadways Corporation prior to coming to Villanova.

Originally from DeMatha High School in Maryland, Dunphy was awarded a football scholarship to attend Northeastern, where he graduated from in 2000 with a BS in Communication Studies. Football related injuries forced him to step off the field and he found a perfect fit in Equipment Management. Tom received his AEMA certification and is CPR certified. ACADEMIC SUPPORT

ACADEMIC SUPPORT

Thirty years ago Villanova University was one of the leaders among NCAA Division I schools in recognizing the need for providing academic support for its student-athletes.

This is a University which treasures its outstanding academic reputation and is equally proud of its student-athletes who represent Villanova every year in inter-collegiate contests. Today, college athletes are expected to be involved in their sports and in training all year long. Time demands are extraordinary. The

Office of Academic Support helps our student-

athletes to manage these athletic demands without sacrificing their academic careers.

At Villanova, the Office of Academic Support reports to the Academic Vice-President. It works with the Athletic Department, whose directors and coaches have always understood the primacy of academics.

The entire university community is proud of the fact that all the student-athletes who stay at our University for their entire careers graduate with as fine a degree as any in the country.

The Office of Academic Support works in conjunction with the many offices of academic support on campus available to all students. Moreover, with its Freshman Mentoring Program and academic tutors, the Academic Support staff oversees the academic progress of Villanova's student-athletes throughout the year.

Villanova's Athletic Department has never lost sight of the mission of its University. The faculty, alumni, administrators, and students can be assured that this tradition of excellence continues.
